EXPLANATORY PREFACE.

This Register contains the names of all the Public and Separate Schools of the Province of Ontario with certain information regarding each school, including the name and address of each secretary, and also the name, salary, and grade of certificate of each teacher employed therein for the school year ending June, 1912.

For convenience this information has been divided into four parts, as follows:

- Part I—The Public Schools of the County and District Inspectorates, Pages 4 to 263.
- Part II—The Public Schools of the City Inspectorates, Pages 264 to 292.
- Part III—The Roman Catholic Separate Schools 293 to 329.
- Part IV—The English-French Roman Catholic Separate Schools, Pages 330 to 347.

In each part, the Inspectorates have been arranged alphabetically and an index of the names of the Inspectors has been provided on Pages 349 and 350. A summary of the numbers of teachers holding the several grades of certificates has been placed at the head of each Inspectorate and a general summary for the Province on Page 348. In each Inspectorate in Parts I, III, and IV, the Rural Schools are placed first, followed by the schools of the Urban Municipalities.

The compilation of this information has been undertaken primarily in the hope that it may assist in supplying all the schools of the Province with the best teachers available. It should be noted, however, that the statistics contained herein have been compiled, not from the Departmental Registers, but from Special Reports by the Inspectors concerned. Frequent changes in the schools render absolute accuracy in the list of teachers impossible.
